

MOSAIC CHURCH

2017

ANNUAL  
REPORT

And I will **MULTIPLY** them  
and they will not be diminished;  
I will also **HONOR** them  
and they will not be insignificant.

JEREMIAH 30:19

**THE BEST EXAMPLE OF MULTIPLICATION IS THE SEED.**

Given the right conditions, when planted and nurtured a seed sprouts and eventually turns into a plant or tree. Before you know it, what used to be an insignificant seed is bringing forth flowers and fruit. Every flower or fruit it bears contains seeds that have the potential to produce unimaginable number of fruit.

During the Prayer and Fasting week in January 2017, the word I claimed for Mosaic was **multiply**. And from April 2017 to March 2018, we have seen God cause little seeds of faith grow; and some whose faith seeds have been planted a few years before have now borne fruit. It's awesome to see and hear stories of people receiving faith and experiencing wholeness in Christ at Mosaic.

Our prayer for the future is that, we will keep sowing seeds and nurturing them so that they can bear fruit, whose seeds we will plant and nurture so they may bring more fruit...and so on. For the glory of God and by His grace, let us multiply into the future!

- Pastor Jon Las, *Lead Pastor*

# SEEDS AND FRUIT

**KATE** was baptized in 2016. She invited her brother **JR**.

**JR** was baptized in 2017. In December, he invited a schoolmate named **MARK**.

In February 2018, **JR** baptized **MARK**. Who will Mark baptize?

Who else will **JR** get to baptized?

How many people is **KATE** willing to reach for **JESUS**?

If all I know of harvest  
Is that it's worth my patience  
Then if You're not done working  
God I'm not done waiting  
You can see my promise  
Even in the winter...

*Seasons 2018 Hillsong Music*

Our desire as a church is to reach people who are distant from God so that they will be made alive and included in Christ. That is why we encourage each person at Mosaic to reach out, share Jesus and make disciples.

You know what life is like with and without Jesus, and you discovered that life is so much better with Him! Be thankful that someone invited you to trust Jesus as Lord, and now it is your mission to let others discover the love, life and fulfillment that Jesus gives.

This year, sow seeds of faith. Nurture them. Be patient. With constant prayer, obedience and faithfulness in inviting, investing and sharing Jesus, heaven will gain more citizens through of you.

Ask God to make you a disciplemaker.

Decisions - when individuals personally receive Christ as Lord and Savior.

Baptisms - when individuals declare their faith publicly by being immersed in water and raised from it, symbolizing Jesus' death, burial and resurrection.

Recommitments - when individuals decide to return to Christ and renew their commitment to His church.

# LAKELAND VENUE

We are blessed to have the Vic Juba Community Theatre as our primary venue for our Lakeland worship experiences. Even if there may have been a few occasions when we didn't get to worship at the Vic, it's still awesome to note that our church gets to use Lloydminster's premier performing arts theatre. We praise God for His provisions that allow us to continue to use the Vic, as well as the many DreamTeamers who give of themselves to make sure we get to experience awesome worship.

While it is our dream to have our own building, which we pray and envision will be better than the Vic, God is teaching Mosaic some valuable lessons about patience, impermanence, "tabernacled," true worship and faithful obedience, just like He taught the children of Israel. Our prayer and goal are that we would increase in number to the place where we will have to do multiple worship experiences at the Vic, and necessitate a BIGGER venue!

# DOWNTOWN VENUE

The vision for a second venue came during the Winter Prayer and Fasting Week of 2017, and was confirmed in Pastor Jon's heart in the fall. The vision was announced in November 2018. After much prayer, planning and an agreement to use Knox Presbyterian Church's sanctuary in Downtown Lloydminster, we held two worship nights in early February. We launched MOSAIC's downtown venue on February 25, 2018. Attendance has been consistently growing at our Downtown Campus while our Lakeland Campus keeps flourishing. These are just the first two of the many Mosaic venues to be born in Jesus' name.

Our worship community is the collective number of people who call Mosaic their home and does not include those who just occasionally attend.

Mosaic DGroups are a great way to make friends and grow in your relationship with God. Coming together in smaller groups is how discipleship happens.

DreamTeam is the group of people who give of their time and energy to make things work at Mosaic in pursuit of our dream and vision.

One of the areas we want to keep multiplying in is Leadership Development. Beginning in 2017, we launched a new way of developing and equipping leaders, LEADERS LAB. So far, we have had 45 active participants who have discovered their gifts and ministry passions. We want to multiply disciples through our DGroups and these Leaders Lab participants are being trained to lead the new groups to be born at Mosaic!

TEAMNIGHTS are parties for people who are in the DreamTeam. Our Dream Team work hard, so we encourage each other by playing hard too!

# DISCIPLEMAKING

---

We sent out three Mosaic attendees to three Bible colleges to train for ministry.

John Paul is studying song-writing and music at the Hillsong International Leadership College in Sydney, NSW, Australia.

Elijah is a sophomore in his pursuit of a BA degree at the Canadian Southern Baptist Seminary and College.

Jayden studied for one year at Briercrest College and is now in pursuit of God's calling in his life.

To date, we have a few other students who want to pursue further studies in Christian leadership and ministry.

# GENEROSITY

TOTAL GIVING  
\$250,000

Reaching people who are distant from God so they will be made alive and included in Christ.

“It’s in giving, not keeping that leads to receiving.”

## EVERY TITHE IS A SEED.

The Apostle Paul writes, “Whoever sows sparingly will also reap sparingly, and whoever sows generously will also reap generously” (2 Corinthians 9:6). Thank you for your generosity to the work of God at Mosaic Church. We are able to do what God has called us to do because of faithful and generous people. But we are praying that God would multiply the givers at Mosaic. We have 154 individual givers. That is only 30.8% of the 500 individuals in our worshipping community. Imagine when all become faithful tithers, we would be able to do more! If you’re not a tither yet, accept the challenge of God in Malachi 3:10 to faithfully bring the tithe and acknowledge His promise that He will open heaven’s floodgates and multiply His blessings on you.

IN 2018,  
WE WILL SEE  
**GOD DO MORE.**  
**THERE IS MORE.**
