Start talking. Find a conversation starter for your group.

- Is it easy or hard for you to believe God still heals? How have you come to think this way?
- When is the last time you asked God for a miracle? What happened? What did you think or feel?

Start thinking. Ask a question to get your group thinking.

- Read John 14:12. What do you do with Jesus' statement here? What do you think He meant by it?
- Why do you think it can be so difficult to ask for a miracle for yourself or people you're close to?

Start sharing. Choose a question to create openness.

- What is the state of your faith? How is it healthy? How can it grow?
- Pastor Ta said our *faith should be based on who God is*. Describe what you believe about who God is.
- Have you ever experienced a miracle? What happened?
- What physical, spiritual, or emotional miracle are you trusting God with? Share it with the group and pray.

Start praying. Be bold and pray with power.

Good Father, You performed the ultimate healing miracle when You saved us from eternal separation from You by giving us Jesus. Thank You for that. We believe You have the power to heal any physical, emotional, or spiritual illness. We believe You can, and we trust You with the results. Amen!

Start doing. Commit to a step and live it out this week.

- Write down the miracle you're asking God for on a piece of paper and exchange it with someone in your DGroup. Pray for each other all week.
- In prayer this week, ask God to grow your faith. Ask Him to grow your understanding of who He is.
